**CITIZENS SOUGHT TO PARTICIPATE  
IN  
TWO RIVERS' 24<sup>th</sup> CITIZEN ACADEMY**

The City of Two Rivers Citizen Academy Coordinators are currently seeking people interested in participating in the 24<sup>th</sup> Annual City of Two Rivers Citizen Academy.

The academy has three main goals: to afford participants the opportunity to experience the "inner-workings" of city departments to better understand city management, operations, and procedures. Participants have the chance to meet city employees thereby strengthening community interaction and involvement. The academy provides city departments the opportunity to learn from participants.

Academy participants will have the chance to interact with employees in City Government, Parks and Recreation, Water and Light, Public Works, Library, Police and Fire Departments. Sessions will run from 6:00–9:00 PM Tuesdays and Thursdays, September–November, with exact dates to be determined. The academy will conclude with an awards banquet.

Participants will learn about customer service responsibilities, parks and recreation activities, cemetery functions, senior center background, library services, fire suppression, emergency medical services, building security searches, crime scene investigations, firearms handling, utility bucket truck, trencher, and digger derrick operation, sub-station operation, City Council proceedings, finance and the city budget process.

There is no cost to participate. All sessions are taught by volunteer city employees and any costs associated with academy are funded through fundraisers and donations. Applicants are screened by the academy coordinators to ensure attendance by a cross-section of the community. Previous academy participants have been between 18 and 88 years of age, and have been from all walks of life – retirees, laborers, business owners and administrative professionals.

If you are interested in participating in this unique learning opportunity, applications are currently being accepted. Applications can be requested by contacting Captain Kris Klein at the Two Rivers Fire Department, 793-5521, or Lt. Ben Meinnert at the Two Rivers Police Department, 793-1191. Applications can also be picked up at the Customer Service Department, Police or Fire Departments, or the application can be downloaded from the City of Two Rivers website.

Applications for this year's academy will be accepted until Friday, August 3<sup>rd</sup>, 2018.

## Citizens Academy Application
