Monthly Report June 2023

Welcome New Officers

In June we welcomed Jacob Schweigl and Justin Jackson as new officers to the TRPD family.

Jacob Schweigl started with us in May, having 9 years of experience with both Mishicot and Cleveland PD. Due to his experience, despite just starting his field training, he was able to take part in a promotional process for a vacant sergeant position which resulted with him being selected. Sergeant Schweigl completed his patrol officer field training and then transitioned into supervisor training. He is currently an instructor at Lakeshore Technical College, a Drug Recognition Expert, Standardized Field Sobriety Testing Instructor, Vehicle Contacts Instructor and has training in several other areas that will be a great asset to our agency.

Justin Jackson had several weeks of training with us before attending Northeast Wisconsin Technical College for the law enforcement academy. He is scheduled to graduate from the academy in November 2023, after which he will return to complete his field training and be ready for solo patrol in early 2024. Justin is from Two Rivers, served in the US Marine Corps and formerly worked as a Harley Davidson Technician in Manitowoc.

Congratulations to both officers. Welcome to the team Sergeant Schweigl and Officer Jackson!

DARE Graduation

Congratulations to this year's 2023 DARE graduates! This year Officer Propson and Officer Lutze had the opportunity to serve as DARE instructors at LB Clarke Middle School. During the semester the students were asked to write an essay regarding what they learned and the best essay writers had an opportunity to interact one on one with K9 Xanti and K9 Daisy. Special "Thank you" to retired officer Monty Greene for playing the role of Darren the DARE Lion. Thank you to all the families and officers that came out to show their support to these graduates.

Having a Ball!

When they have time, our officers love getting out, meeting people & joining them in hoops, catch, jump rope, etc. Officers wanted to be able to provide sporting equipment to kids they meet who don't have these items. The officers decided to donate money plus use some of our funds from the Police Lights of Christmas program to purchase sporting equipment to give out. Officers will have the sporting equipment (footballs, basketballs, jump ropes, frisbees) with them & look forward to meeting youth in our community this summer to give the items out.

Retiree Ride-Along

We were honored to have two TRPD retirees ride along with our officers. Randy Ammerman retired as the Chief of Police after over 31 years of service and Jerry Duvall retired as a patrol officer after over 33 years of service. When they reached out and asked to come back and ride along on their 50-year anniversary from when they started at TRPD, we of course welcomed them back. How cool is that to have them back where they began their career in law enforcement 50 years ago?

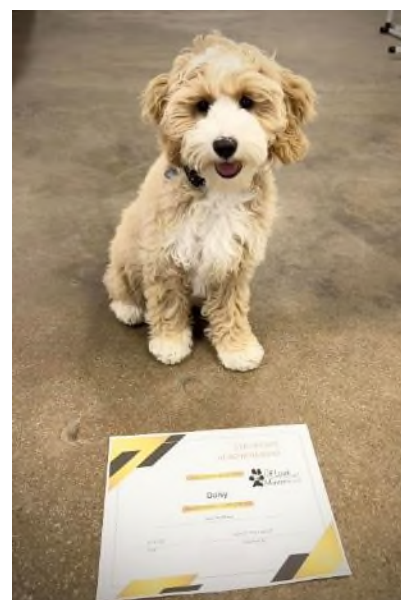

Ironically, these two gentlemen were paired up with two of our newest officers, Seth Tobison and Luke Brinkman. It was great to hear them talk and tell stories of how things were 50 years ago and have them see and experience things in law enforcement now. Undoubtedly, the biggest change of course, is technology.

Chief Ammerman said they felt “very fortunate to have been able to come “home” again one more time.” Both Ammerman and Duvall began their careers in June of 1973. Join us in thanking both Chief Ammerman and Officer Duvall for their dedicated years of service to the city of Two Rivers and wishing them much health and wellness in their retirement.

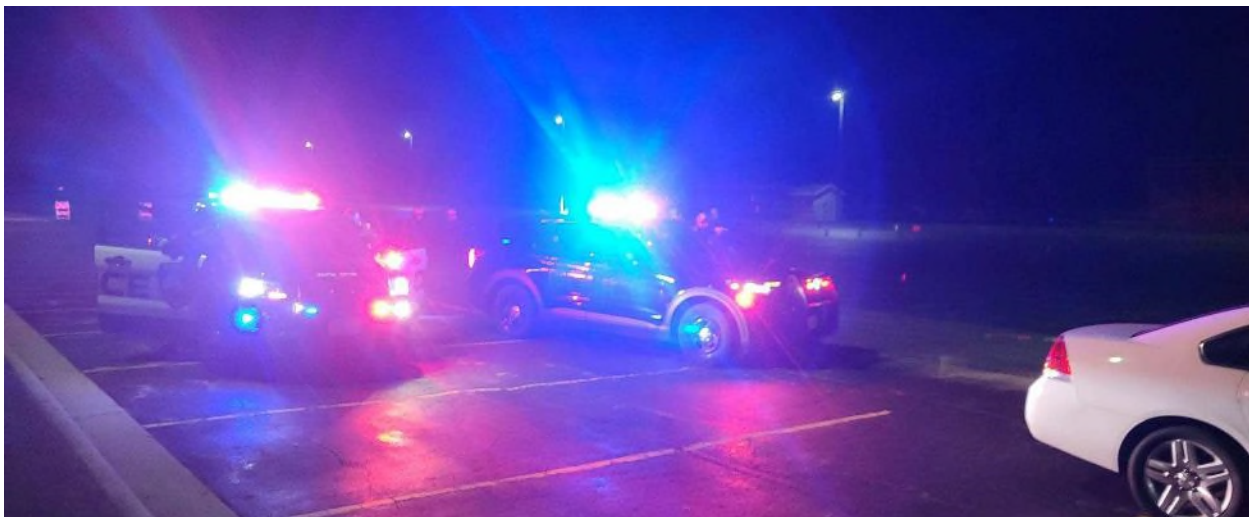

We have a graduate!
Daisy is happy to show off
her certificate in basic
obedience!

CRIME CLEARANCE RATE:

Each law enforcement agency in the Nation submits monthly reports to the Uniform Crime Reporting (UCR) Program. This program collects and reports crime offense data for the Nation, categorizing crime data as Part I or Part II offenses. Part I offenses include: Murder/Non-Negligent, Forcible Rape, Robbery, Assault(s), Burglary, Larceny/Theft, Motor Vehicle Thefts, and Arson. Part II offenses include all other crime classifications outside those defined as Part I offenses. These monthly reports also afford the Two Rivers Police Department the ability to monitor our crime clearance rate. The crime clearance rate is simply the percentage of offenses reported as compared to how many of those offenses were cleared or resolved. The Two Rivers Police Department is proud to note that our crime clearance rates are generally well above the average for the State of Wisconsin. Because some cases that are reported in one month may be solved or "cleared" the next month or months later, it is difficult to state crime clearance rates as purely a monthly rate. For our purposes, we continue to track our CCR rates across the months and years as well.
