POWER COST ADJUSTMENT ON ELECTRIC BILLS CONTINUES DOWNWARD TREND

After hitting an unusually high level in August, due to several factors that increased the cost of electricity purchased at wholesale by the electric utility, the PCAC (power cost adjustment clause) on electric bills dropped in September, and is dropping again for power consumed in October.

The chart at the right, from the website of the Public Service Commission of WI, shows monthly bills for this year at a consumption level of 600 kilowatt hours per month.

Comparison Criteria...
Utility ID: 5990
Utility Name: Two Rivers Water and Light Utility
Date Range: Months: January, February, March, April, May, June, July, August, September, October Years: 2022
Energy Usage: 600 kWh (Monthly)
