

## We Still Need Your Support: Central Park West 365 Project

This \$1.6 million project is being 50 percent supported with \$500,000 in City funding and a West Foundation grant for \$300,000. That leaves \$800,000 to be funded through community donations.

To date, about \$520,000 has been committed from community donors; that's nearly two-thirds of our goal. We need to raise another \$280,000 by July to move the project forward to construction in the Fall of 2022 and Spring 2023. Dedication is planned for July 2023.

Consider a donation to this project that will make Two Rivers an even more attractive place to live, work, raise a family, visit, and do business.

Sponsorships for park features are available and will be assigned based on the order in which the donations are received. There's also a "Buy a Paver" program, for pavers to be placed in front of the new bandstand.

**WE STILL NEED YOUR SUPPORT** to make this project a reality. Donations in any amount are welcome.

**Now that the Winter Parking Ban is over,  
a few friendly reminders about parking:**

✓ Park your vehicles in your garage and driveway.

✓ If needed, park in the street where parking is allowed.

✗ No Parking in front or side yards.

✗ If your vehicle is dismantled, does not operate, and/or is unregistered and kept in view for 72 hours or more this is a "junked vehicle" and is considered a public nuisance. Non-operational vehicles should be stored in an enclosed structure like a garage.
