...and a full Summer of Thursday night concerts in Cental Park

Ready, Set, Mow!

Municipal Code Section 9-3-4, Regulation of Lawns and Weeds

As Two Rivers quickly greens up for the Summer, the City reminds property owners that all lawns need to be kept cut to a height not to exceed 8 inches.

This requirement, stated in Section 9-3-4 of City Ordinances, applies to the yards of developed properties, and to vacant properties primarily vegetated with grasses.

First Violation: Get It Mowed Promptly and There's No Fine or Bill. If the grass on a property reaches a height exceeding 8 inches, the City must first mail a notice of violation to the property owner, giving 5 days from the date of mailing of that notice to comply. If the violation is corrected by the deadline, there's no fine or charge.

If the owner fails to cut the grass by the deadline, the City can "cause the lawn to be cut" (by City personnel and equipment or by a contractor) and will generate a bill to be charged against the property. In addition, the property owner will receive a \$75 fine if the mowing is not completed in a timely manner.

Repeat Violations: Get a Fine, Maybe a Bill. If a property has "repeat violations" of this ordinance during the same calendar year, each additional violation carries a \$150 fine. That fine applies whether the owner mows the property within 5 days of the City mailing a new mowing notice or not. Should the owner fail to mow the property timely, the City can also cause the lawn to be cut and will bill the owner for this service, in addition to the \$150 fine.

It's not the City's goal to "be in the mowing business" nor to generate revenue from enforcement of this ordinance. Instead, our goal is to maintenance safe, attractive, vermin-free neighborhoods throughout the Summer.

To report a violation of this ordinance, call the City Manager's Office at 920-793-5532 or e-mail City Manager's Assistant Lisa Kuehn, lkuehn@two-rivers.org.

Annual Water Quality Report 2023

Two Rivers Water Utility proudly presents our annual water quality report. In 2023, TRU tested for numerous contaminants and found that none of them were above the EPA's accepted level for drinking water.

Learn more about your drinking water and other important information by viewing our annual water quality report at www.two-rivers.org/2023waterquality or to request a copy call 920-793-5523.

Join us for Two Rivers Night at the ballpark on Saturday, July 13th with the Wisconsin Timber Rattlers! For every ticket purchased, \$3 will be donated back to Two Rivers Parks and Recreation Department's Youth Sports Fund. Get there early as there will be a Pre-Game Parade around 6:00pm and Check Presentation behind home plate to celebrate our fundraising efforts.

One of the Two Rivers Parks and Recreation baseball and softball teams will be selected to join the Timber Rattlers on the field for the National Anthem and to form a high-five tunnel for the players. This team will be selected based on who recruits the most ticket purchases. When purchasing, please select which team you are associated with. If you're not associated with a team, then select whichever team feels right.

You won't want to miss out on a fun-filled night as it is also Star Wars Night! Be sure to stick around after the game for Postgame Fireworks & Kids Run the Bases! Help us fill the stands and cheer on the T-Rats while supporting our Youth Sports Programs!

Tickets must be purchased at the link below or by scanning the QR code.
