This program provides the opportunity to donate a tree or bench in celebration, honor or memory of a person or event.

Trees and benches will be placed in the City of Two Rivers parks system. Your donation to this program will provide a lasting memory and beautify the community with a commemorative message.

To order a bench plaque or tree, please fill out the additional form included with this document. Return all forms to the Parks and Recreation Department and speak with our staff about your requests.

*Actual type, size, shape, and dimensions may vary. All memorial bench styles will be chosen by the Parks and Recreation Department to maintain consistency throughout our parks and city.*

*Benches require an 3 - 4 month lead time from initial order to final installation. All donations are tax-deductible. If you prefer, you can make a general donation and not specify tree type or site selection.*
