"From the first notes to the final breath, WEST SIDE STORY is a theatrical event not to be missed.

Shakespeare's Romeo and Juliet is transported to modern-day New York City as two young lovers find themselves caught between warring street gangs. Their struggle to survive in a world of hate, violence, and prejudice is one of the most innovative, heart-wrenching, and relevant musical dramas of our time. Broadway legends Arthur Laurents, Leonard Bernstein, Stephen Sondheim, and Jerome Robbins created a show that is both ageless and as fresh as tomorrow's headlines. Join us for this landmark musical and epic tale of love eternal." - Fireside
